

Academic Policies and Procedures: General

Preferred Name

Albertus Magnus College strives to offer an inclusive and welcoming environment to all members of our college community which includes providing mechanisms to make name changes, changes to personal pronouns, and gender identity markers across the College's computer and information systems.

Students may choose whatever preferred names they would like for their first, middle, and last name separately. Students should keep in mind that this is the name that will appear in College systems such as Academic Planning, Navigate, and eLearning.

When choosing a preferred name, please be mindful that preferred names may not be used for purposes of fraud or misrepresentation. The College reserves the right to deny a preferred name change if it contains inappropriate or offensive language.

Students will also have the option to update their personal pronouns in Self-Service. Pronouns currently available include: "she/her/hers", "he/him/his", "ze/hir/hirs", "they/them/their", and "use my name as my pronoun."

A student's preferred name can be updated and reflected in the following areas:
