

The College

Parking

All students, faculty and staff who park on campus must register their vehicle and display a College permit/decal. Permits are available at the Public Safety office located in Dominican Hall. The permit must be affixed to the lower driver side front windshield. Motorcycles are vehicles and must also be registered on campus, however the requirement to display a permit is waived. The transfer, exchange, misuse, or reproduction of the decal is unauthorized and violators are subject to ticketing and towing enforcement. There is no cost to register a vehicle on campus.
